

Executive Briefing Guidelines

CEVE 421/521 Final Project

2026-04-20

Draft Material — This content is under development and subject to change.

1 Overview

Presentations: Week 14 (April 20 & 22) **Slides Due:** Friday of Week 13 (April 17)

Your team will deliver a 25-minute Executive Briefing presenting your audit findings. Non-presenting students are expected to ask substantive questions during Q&A.

2 Format

- **Presentation:** 20 minutes
- **Q&A:** 5 minutes

3 Presentation Requirements

Your briefing should address:

3.1 1. Context (3-4 minutes)

- What plan did you audit? (Title, organization, scope)
- Why does this plan matter? (Stakes, affected populations)
- What was your audit approach?

3.2 2. XLRM Framework (5-7 minutes)

- Key Uncertainties: What could go wrong?
- Key Levers: What decisions does the plan make?
- System Models: What models link actions to outcomes?
- Key Metrics: How does the plan measure success?
- Framework Gaps: What's missing?

3.3 3. Evidence & Robustness (5-7 minutes)

- Valuation Methods: How are costs/benefits calculated?
- Robustness: How does the plan handle deep uncertainty?
- Vulnerabilities: Where might the plan fail?
- Evidence Gaps: Where is the analysis weakest?

3.4 4. Recommendation (3-4 minutes)

Provide a clear verdict with justification:

- **Endorse:** The plan is sound; implement as proposed
- **Modify:** The plan has merit but needs specific changes
- **Reject:** The plan has fundamental flaws; redesign needed

Your recommendation must be supported by specific findings from your audit.

4 Slide Requirements

- **Slides due Friday of Week 13** by 11:59 PM
- Submit as PDF to Canvas
- All teams submit before any presentations (fairness)

5 Audience Participation

When you are not presenting, you are a **Board Member**. Board members must:

- Ask at least **one substantive question** per presentation
- Questions should probe assumptions, methods, or conclusions
- Avoid softball questions; this is a professional audit review

6 Grading Rubric

Criterion	Points
Clear communication of audit findings	20
Technical depth and accuracy	20
Strength of evidence for recommendation	20
Response to Q&A	15
Slide quality and professionalism	15
Audience participation (questions during other presentations)	10
Total	100
