

Week 12 Reading

Sequential Decision Making

Preliminary

This reading assignment is preliminary and subject to change. Please wait for this warning to be removed before starting the assignment.

1 Overview

G. G. Garner and K. Keller [1]

Please note that **there is an error in this paper**; the units of storm surge are off by a factor of 10. Watch out for your unit conversions! This means that sea-level rise is emphasized relative to storm surge in the model. Regardless, the methods and qualitative findings are interesting.

2 Discussion Questions

1. *TBD*
2. *TBD*
